47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I love the service I get from my provider because they're small, reliable and care about their customers.  
I couldn't have this same service/rate without broadband competition. I tried multiple providers before (all the big ones) until I finally found the one for me.
